PROFESSIONAL VACANCY ANNOUNCEMENT NO. 02/AICSAMMAN/2019

FINANCE AND ADMINISTRATIVE MANAGER – JORDAN AND KRI

The Italian Agency for Development Cooperation (AICS) – Amman Office intends to recruit a **Finance and Administrative Manager – Jordan and KRI** for the implementation of the Italian component of the “Resilience & Social Cohesion Programme (RSCP) - Strengthening the resilience of host communities and Syrian refugees in Lebanon, Jordan and Iraq (Kurdistan)” (hereafter referred to as “the Programme”), financed by the European Union “Madad” Trust Fund.

The contract duration will be of one year – including a three months’ probation period - renewable up to the end of the Programme (30/06/2021), subject to programme’s needs, availability of funds and satisfactory performance.

PROGRAMME DESCRIPTION

The Programme will be implemented in Lebanon, Jordan and Iraq (Kurdistan) targeting municipalities with highest concentration of Syrian Refugees. Most of the Syrian refugees are living in communities that suffered historically from high rates of extreme poverty, reflected in household income close to the lower poverty line, high rates of unemployment and illiteracy and very limited access to basic services such as water, sanitation, health and education. While the three neighboring Countries are increasingly strained as a whole by the influx of Syrian refugees, it is these communities which have suffered most from the effects of the crisis. The action seeks to develop the coverage and quality of basic social services delivery provided to the most vulnerable host communities affected by the influx of Syrian refugees, as well as to the Syrian refugees, while empowering local communities socially and economically and decreasing inter and intra-community tensions. Moreover, in line with national priorities (crisis response plans), it aims at building the capacities of national institutions, both at central and local levels, and at strengthening the role of the civil society (NGOs and CSOs), providing effective instruments to enable the development of medium-long term sustainable delivery solutions.

Expected start of employment: at the end of the selection process.

Duty station: Amman with expected duty travel in the areas of intervention in Jordan and KRI.

Remuneration: salary, benefits and other conditions are offered in accordance with the Italian Cooperation terms of employment and salary scale for expatriates working in overseas offices. Maximum gross annual salary: 90.000,00 Euros.
