The Water Authority of Jordan now invites eligible consulting firms (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The shortlisting criteria are: the candidates/bidders must prove:

1. Economic and financial standing: the total turnover of the candidates/bidders in the last three years in the same field of the bid must be at least equivalent to the maximum budget of the contract; firms that have been established for less than three years may prove their economic and financial standing with any document which the contracting authority may deem appropriate.
2. Professional and technical capacity: candidates/bidders shall provide a full record of the activities performed during the last three years; firms that have been established for less than three years may prove their professional and technical capacity with any document which the contracting authority may deem appropriate. Consultants shall be qualified for the Services according to their National law. Key Experts will not be evaluated at the shortlisting stage.

The attention of interested Consultants is drawn to Section III, paragraphs, 3.14, 3.16, and 3.17 of the World Bank’s “Procurement Regulations for IPF Borrowers” July 2016 (“Procurement Regulations”), setting forth the World Bank’s policy on conflict of interest.

Consultants may associate with other firms to enhance their qualifications, but should indicate clearly whether the association is in the form of a joint venture and/or a sub-consultancy. In the case of a joint venture, all the partners in the joint venture shall be jointly and severally liable for the entire contract, if selected. Subcontract is allowed only to eligible Consultants upon authorization of the Employer and the Donor up to 30 % of the total contract amount. Contract assignment to third parties shall not be allowed.

A Consultant will be selected in accordance with the Quality and Cost based selection method set out in the Procurement Regulations.
