**Subject:** Supply of mechanical equipment

**Location:** Lebanon

Concerning the abovementioned tender procedure, tenderers are reminded that on 28 January 2019 a Corrigendum was published on the websites of the Contracting Authority containing an amendment to the technical specification and an extension of the deadline for the submission of offers.

Tenderers are invited to present offers according to the modalities described in the tender dossier and in the Corrigendum No. 1.

The deadline for the presentation of offers is **28/02/2019 at 12:00 Beirut time**. Tenderers who have already submitted an offer but want to withdraw it in order to submit another offer that take into consideration the modification to the technical specification advertised through the Corrigendum No. 1 can do so, within the set deadline.
